

Stratford Summer School 2017

Stratford Continuing Education
45 North Parade Street
Stratford, CT 06614
TEL (203) 385-4270
FAX (203) 386-3163

Dear Stratford Summer School Parents and Students,

A summer project to improve shelving in the Wooster Media center inadvertently exposed an asbestos tile. Students attending the Summer School program were never at risk. Their classes were only on the first floor of Wooster school and construction was taking place on the second floor, only in the library.

However, student safety is our top concern. Therefore we are taking precautions and moving Summer School classes. **Beginning Tuesday July 18 until July 26 summer school will be held at**

Stratford Academy Johnson House, 719 Birdseye Street, Stratford. Student drop off will be at the front of the building. Please see the accompanying map.

All dates, times, classes, policies, and learning expectations remain the same. Also, the school contact phone number of (203) 385-4270 will remain the same. Apologies for this sudden and inconvenient circumstance. It is because the safety of students and staff are of primary concern that this precautionary measure is necessary.

Respectfully,

Philip Zetye

Summer School Administrator
