

Dear Franklin Families,

As you may be aware, the Stratford Town Council is proposing a 0% based budget for the Stratford Board of Education. If approved, a 0% based budget will mean significant cuts (nearly 2 million dollars' worth) in educational staff and programs for our children. With the tremendous progress that Franklin has made in the past few years, this would have a **catastrophic** impact on Franklin's growth and development.

What you can do to help:

Please attend the budget public hearing scheduled on Monday, May 1st at Stratford High School to show support and/ or to voice your concerns regarding the proposed budget.

When: Monday, May 1st @ 6:30PM

Where: Stratford High School

Feel free to call or schedule an appointment with me if you would like more information.

Thank you in advance for your support of our children.

Mr. McNeill
