All students will be registering for next year's courses online. The Student Registration Portal Opens: January 31th and will remain open until the end of the day on February 5th.

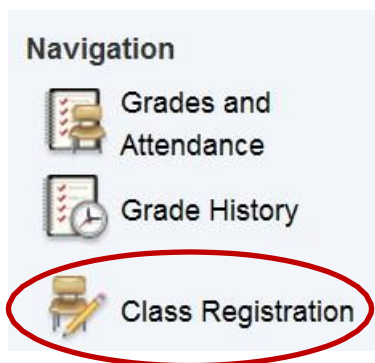

- Click here to access the 2020-21 [Program of Studies](#)
- Click here to access the [Class Registration Video Tutorial](#) This video can be found at the Bunnell High School home page under the Guidance Department home page.

STEP 1: Login to your [PowerSchool](#) account using your username and password. In case you don't have the website address saved on your computer, it is: <https://stratfordk12.powerschool.com/public/>

You cannot access the Class Registration page from the PowerSchool App. You must log in to the website!

- Click on the PowerSchool Parent/Student Portal.

STEP 2: On the left side-bar, locate and click on Class Registration. A set of course selection boxes should appear.

Here are some things to keep in mind:

- If a category says "Required" (e.g. Health/PE, English, etc.), then you must sign up for at least the minimum number of courses in that category.
- You **must** register for a minimum of 7.4 credits but we recommend that all students register for 8 credits. You will not be allowed to complete and save your registration if you sign up for less than 7.4 credits.
- You **should** select alternative elective courses, in case you do not get all of the original electives you chose.
- Some subject areas and electives have more than one page. Click to next page if you don't see your recommended course
