

This summer, the Stratford Light the Way project featured a lighthouse called "Catch the Kindness," designed by Chapel's own Cristine Marks and her students.

On October 11, the lighthouses will be put up for auction by the Stratford Street Sculpture committee. The Chapel Street School PTA wants to bid on "Catch the Kindness" and donate it back to the school as a symbol of the creativity, kindness, and collaboration at Chapel.

Please help us make this bid successful by contributing a small amount to purchase this one-of-a-kind creation for the school, where it will be displayed prominently as a symbol of the best of our school and our community.

**Donations can be made through the following GoFundMe page:**

A portion of the proceeds from the Lighthouse Auction will benefit art scholarships at Stratford and Bunnell High Schools, and the B.E.S.T. school grants.
