

CHAPEL STREET SCHOOL PTA

Dear Chapel Families and Staff,

We have created a Gofundme page to raise money to create a “Be Kind” mural (similar to the one shown below) and we are asking for your support.

As you know, Chapel Street School students have been recognized for their kindness through the RKIND program. Our walls are lined with positive messages and kind words. Students are encouraged to be independent thinkers, to be kind to others and to always do the right thing. Monthly assemblies are held to honor those students who best exemplify positive character.

To enhance the RKIND program, Chapel Street School would like to create an eight foot tall kindness tree mural on the outside of the building. The “Be Kind” mural, shaped like a tree, would be permanently installed on the front of the building for the entire community to see. It is a great way to beautify our community and create a visual reminder of the “Be Kind” message.

During the creation of the mural, students, teachers and their families will be able to participate in creating these clay pieces that will forever be a part of Chapel Street School. Together, our community will work as a team, along with Ben’s Bells to complete the mural. By donating, you will remind the students that kindness is everywhere!

Dedicated tiles and plaques can also be purchased along with any large donation or business sponsor and can be placed alongside the mural or can be incorporated into the mural. When the mural is complete, the community will be invited to attend and view the unveiling of our Kindness Tree you helped to create.

If each student raised \$20, we would exceed our goal. Please share with family and friends. If you have any ties to any local businesses in the community, please reach out to them for support.

Please use this link: gf.me/u/v25yt7

Thank you for your generosity!

Sincerely,
June Palatiello
Leslie Winking
PTA Co-Presidents
