### **Policy # 5131.6 Alcohol Use, Drugs, and Tobacco (including Performance Enhancing Substances)**

Pursuant to the goal of the Board of Education (Board) to maintain a drug, tobacco and alcohol- free school district, schools shall take positive action through education, counseling, parental involvement, and medical and police referral in handling incidents in the schools involving possession, sale, and/or use of behavior affecting substances. These substances shall include but not be limited to alcohol and controlled substances as defined in the Penal Code of the State of Connecticut.

Alcohol, tobacco, stimulants, street drugs, including but not limited to marijuana, heroin and cocaine; anabolic steroids, hormones and analogues, diuretics and other performance enhancing substances; including supplements and Creatine, are addressed by this policy and accompanying administrative regulations.

Possessing, using, or transmitting any substance which is represented to be or looks like a narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, stimulant, depressant, or intoxicant of any kind, including such substances that contain chemicals which produce the same effect of illegal substances including but not limited to synthetic substances and bath salts are addressed by this policy.

#### **Definitions:**

**Drugs** are defined as any substance other than food or water that is intended to be taken or administered (ingested, injected, applied, implanted, inhaled, etc.) for the purpose of altering, sustaining, or controlling the recipient's physical, mental, or emotional state. Drugs may include, but not be limited to, alcoholic beverages; controlled substances such as marijuana, hallucinogens, cocaine, barbiturates, amphetamines, narcotics; and non-authorized prescription drugs.

**Controlled substances**, for purposes of this policy shall include all controlled substances prohibited by federal and state law, look-alike drugs, alcoholic beverages, anabolic steroids, drug paraphernalia, any volatile solvents or inhalants, such as but not limited to glue and aerosol products, and prescription or patent drugs, except those for which permission for use in school has been granted pursuant to Board policy.

**Under the influence**, for purposes of this policy shall include any consumption or ingestion of controlled substances and/or drugs by a student.

**Electronic Nicotine Delivery System** means an electronic device that may be used to simulate smoking in the delivery of nicotine or other substance to a person inhaling from the

device, and includes, but is not limited to, an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe or electronic hookah and any related device and any cartridge or other component of such device.

**Liquid nicotine container** means a container that holds a liquid substance containing nicotine that is sold, marketed or intended for use in a electronic nicotine delivery system or vapor product, except “liquid nicotine container” does not include such a container that is prefilled and sealed by the manufacturer and not intended to be opened by the consumer.

**Vapor product** means any product that employs a heating element, power source, electronic circuit or other electronic, chemical or mechanical means, regardless of shape or size, to produce a vapor that may or may not include nicotine that is inhaled by the user of such product.

### **Privacy Rights**

Personal privacy rights of students shall be protected as provided by law. School properties may be inspected by school authorities to maintain health and safety. Searches to locate drugs, narcotics, liquor, weapons, poisons, and missing properties are matters relating to health and safety and may be regarded as reasonable grounds for searches by school personnel. Privileged communication between a certified or paraprofessional employee and a student concerning drug abuse shall remain confidential except in cases where the employee is obtaining physical evidence of a controlled substance, and/or where there is an immediate threat to, or where students' health, safety, and welfare may be jeopardized.

### **Illegal Activities**

Use, possession, sale or distribution of drugs, including prescription drugs, drug paraphernalia and/or alcoholic beverages in violation of state law or Board of Education policy is prohibited at any time on school premises or at any school-sponsored activity. If a student is under the influence of a drug or alcohol, or engaged in the illegal activity of possessing or selling drugs and/or alcohol, the police will be notified, his/her parent(s)/guardian will be contacted, he/she will be suspended from school, referred to a Student Support Team, and considered for expulsion. In cases of the illegal activity of possessing or selling drugs or alcohol, students will be referred to the appropriate law enforcement authorities. If a student is arrested and is awaiting trial for possession of, or possession of with intent to sell drugs in or on school property or at a school-sponsored event, the student will not be allowed to attend school without the permission of the Superintendent, per the guidelines set forth in Policy #5114.

**Policy adopted: STRATFORD BOARD OF EDUCATION – October 22, 2018**

### **Notification of Policy**

Annually, students will be notified through the student handbook, or through other means, of disciplinary sanctions for violation of this policy.

Principals shall include statements, appropriate to student maturity, in school handbooks and on District/school websites to the effect that:

1. the unlawful manufacture, distribution, sale, dispensing, possession or use of controlled substances, other illegal drugs, performance-enhancing substances, alcohol or tobacco, including electronic nicotine delivery systems and vapor products, is prohibited in school, on school grounds, on school transportation and at school sponsored activities,
2. compliance with the standards of conduct stated in the handbook is mandatory,
3. a violation of its provisions will subject students to disciplinary action up to and including expulsion and referral for prosecution,
4. CIAC controlled activities at the high school and middle school levels sponsored by the District/School are included in this policy and accompanying administrative regulations.
5. CIAC may impose sanctions beyond those applied by the District for the use of performance-enhancing substances, as defined in this policy, by athletes.

### **Disciplinary Action**

Students who violate this policy will be subject to disciplinary action which includes, but is not limited to, suspension or expulsion, and/or a program recommended by the Student Support Team. Student athletes who violate this policy, participating in CIAC-controlled activities shall also be declared ineligible for such activities in accordance with CIAC policy and regulation. Any disciplinary actions imposed will ensure that similar violations will be treated consistently. The Superintendent shall propose and the Board of Education shall approve procedures and regulations to ensure that any student violating this policy is subjected to disciplinary action, and that any disciplinary actions imposed for similar violations are treated consistently.

The following guidelines for reporting alleged violations are to be followed:

**Policy adopted: STRATFORD BOARD OF EDUCATION – October 22, 2018**

## *Stratford Public Schools*

1. If an employee suspects student possession, use, abuse, distribution or sale of controlled substances, other illegal drugs, performance-enhancing drugs, alcohol, or tobacco/tobacco products the employee shall refer the matter to the Principal or his/her designee. The Principal or designee will notify the student's parent/guardian, recommend a specific assessment, as appropriate, and contact law enforcement personnel as appropriate.
2. If an employee obtains physical evidence of a controlled substance, other illegal drug, drug paraphernalia, performance-enhancing drugs, alcohol, tobacco products or tobacco paraphernalia from a student in school, on school grounds, on school provided transportation or at a school sponsored event, the employee shall turn the student and the controlled substance over to the school principal or designee. The Principal will notify the student's parent/guardian, recommend a specified assessment as appropriate, notify law enforcement personnel and shall surrender possession of the controlled substance to the proper authorities within the time period required by state law.

### **Drug-Free Awareness Program**

The Superintendent shall assure that the school District provides a drug-free awareness program for students including the following topics:

- health and safety-related dangers of drug abuse,
- review of the Board of Education's policy of maintaining drug-free schools, notification of the availability of drug counseling and
- rehabilitation program, and official penalties for drug abuse violations in schools.

### **Drugs and Alcohol**

It is the policy of the Board to prevent and prohibit the use (except as duly authorized through the school nurse), possession, distribution or sale of any drug, drug paraphernalia, or alcohol by any student at any time on school property, at school-sponsored events or on school-provided transportation. The District provides (1) a supportive environment for recovering chemically dependent students during and/or after their involvement in a treatment program for chemical dependency; and will provide (2) assistance to those students who are affected by drug/alcohol possession or use by others. Any student in District schools found to be using, selling, distributing, in possession of or under the influence of intoxicants, mood altering drugs or substances, or look- alike drugs, or in possession of any related drug paraphernalia during a school session, on school premises, or anywhere at a school-sponsored activity or trip, on school-provided transportation, or otherwise off school grounds when such student's conduct violates the substance abuse

policy and is seriously disruptive of the educational process shall be subject to consequences as stated in the student handbook.

A breath alcohol tester is approved for use at events/activities such as dances and proms at the middle school and high school levels where, in the judgment of the school administrator, there exists reasonable suspicion that a student has consumed an alcoholic beverage and then, only under the following circumstances:

- The student denies to an administrator that he/she has consumed alcoholic beverages and wishes to establish his/her innocence. Should the student register a positive reading on the breath alcohol tester, consequences will be administered as outlined in the discipline/behavior regulations in the Code of Conduct.
- The student denies to an administrator that he/she has consumed alcoholic beverages and elects not to utilize the breath alcohol tester to establish his/her innocence. The judgement of the administrator will then be utilized to determine if the student has consumed an alcoholic beverage. In this instance, consequences will be administered as outlined in the discipline/behavior regulations in the Code of Conduct.\

### **Inhalant Abuse**

In addition to the prohibitions pertaining to alcohol, drugs and tobacco contained in this policy, no student shall inhale, ingest, apply, use or possess an abusable glue, aerosol paint or substance containing a volatile chemical with intent to inhale, ingest apply or use any of these in a manner:

1. Contrary to directions for use, cautions or warnings appearing on a label of a container of the glue, paint aerosol or substance, and
2. Designed to affect the central nervous system, create or induce a condition of intoxication, hallucination or elation, or change, distort, or disturb the person's eyesight, thinking process, balance or coordination.

For purposes of this policy, inhalants are defined as follows, but are not limited to:

Nitrous Oxide – Laughing Gas, Whippets, Cartridges  
Amyl Nitrate – “Locker Room” “Rush” “Poppers” “Snappers”  
Butyl Nitrite – “Bullet” “Climax”  
Chlorohydrocarbons – Aerosol Paint Cans, Cleaning Fluids  
Hydrocarbons – Aerosol Propellants, Gasoline, Glue, Butane

Further, no student shall intentionally, knowingly or recklessly deliver or sell potentially abusable inhalant materials as listed above to a minor student.

**Policy adopted: STRATFORD BOARD OF EDUCATION – October 22, 2018**

## *Stratford Public Schools*

No student shall intentionally use or possess with intent to use inhalant paraphernalia to inhale, ingest, or otherwise introduce into the body an abusable blue, aerosol paint or substance or other substance that contains a volatile chemical.

Any student in the District schools found to be in possession of, using, distributing, or selling potentially abusable inhalant materials shall be subject to disciplinary action as outlined in this policy, up to and including suspension and a recommendation for expulsion. Violators of this policy may also be required to complete an appropriate rehabilitation program. The Superintendent shall propose and the Board of Education shall approve procedures and regulations to ensure that any student violating this policy is subjected to disciplinary action, and that any disciplinary actions imposed for similar violations are treated consistently.

The Board of Education shall incorporate into the curriculum at all levels education pertaining to potential inhalant abuse which is appropriate for students given their age, maturity, and grade level. Inhalant abuse educational programs/information for parents/guardians will be offered in a manner convenient to parents/guardians.

### **Performance-Enhancing Drugs (including food supplement)**

In addition to the prohibition pertaining to alcohol, drugs, tobacco and inhalants, the Board of Education prohibits the use, possession, distribution or sale of performance-enhancing drugs, including anabolic steroids and food supplements, including Creatine, by students involved in school-related athletics or any co-curricular or extracurricular school activity/program, other than use for a valid medical purpose as documented by a physician. Bodybuilding and enhancement of athletic ability and performance are not considered valid medical purposes.

School personnel and coaches will not dispense any drugs, medication or food supplements except as in compliance with Connecticut State law, District policy and as prescribed by a student's physician, dentist, physician assistant or advanced practice registered nurse.

Students shall be made aware of the dangers of steroid abuse and that such abuse, unauthorized possession, purchase, or sale will subject them to disciplinary action and CIAC sanctions.

Students who violate this policy will be subject to disciplinary action. The Superintendent shall propose, and the Board of Education shall approve, procedures and regulations to ensure that any student violating this section is subjected to disciplinary action, and that any disciplinary actions imposed for similar violations are treated consistently.

It is the expectation of the Board that District schools, as members of the Connecticut Interscholastic Athletic Association (CIAC), require all athletes playing in CIAC-controlled sports to be chemical free.

**Policy adopted: STRATFORD BOARD OF EDUCATION – October 22, 2018**

## *Stratford Public Schools*

For purposes of this policy, "use of tobacco" shall mean all uses of tobacco, including but is not limited to, cigarettes, cigars, snuff, blunts, bidis, e-cigarettes, pipes, chewing tobacco, or any other substance that contains tobacco or nicotine, and all other forms of smokeless tobacco, rolling papers and any other items containing or reasonably resembling tobacco or tobacco products and electronic nicotine delivery systems or vapor product. In order to protect students and staff, the Board prohibits the use of tobacco or nicotine-based products in school buildings, on school grounds, in school vehicles, or at any school-related event.

Students who violate this policy will be subject to disciplinary action. The Superintendent shall propose and the Board of Education shall approve procedures and regulations to ensure that any student violating this policy is subjected to disciplinary action, and that any disciplinary actions imposed for similar actions are treated consistently.

### **Medical Marijuana**

The conditions which follow are applicable to a District student, eighteen (18) years or older, who holds a certificate authorizing the palliative use of marijuana issued by the Connecticut Department of Consumer Protection (DCP) for the medical use of marijuana as set out in P.A. 12- 55, "An Act Concerning the Palliative Use of Marijuana" and as amended by P.A. 16-23.

The District will not as set out in laws pertaining to palliative use of marijuana refuse to enroll a student or otherwise penalize a student for being a medical marijuana certificate holder unless failure to do so would cause the school to lose a monetary or licensing benefit under federal law or regulations.

A student medical marijuana certificate holder is subject to, without bias, the same code of conduct and disciplinary standards applicable to all students attending District schools. A student medical marijuana certificate holder shall not:

- Undertake any task under the influence of marijuana that would constitute negligence,
- Possess or engage in the medical use of marijuana
  - o On a school bus,
  - o On the grounds of any preschool, elementary or secondary school,
  - o Smoke marijuana on any form of public transportation or in any public place,
- Operate, navigate, or be in actual physical control of any motor vehicle while under the influence of marijuana, except that a qualifying certified marijuana user for medical purposes shall not be considered to be under the influence of marijuana solely because of the presence of metabolites or components of marijuana that appear in insufficient concentration to cause impairment,
- Use marijuana in any manner not authorized by P.A. 12-55,
- Offer to give, sell, or dispense medical marijuana to another student or other individual on school property, in school-provided vehicles, at school events, or when functioning as a representative of the school.

**Policy adopted: STRATFORD BOARD OF EDUCATION – October 22, 2018**

## *Stratford Public Schools*

If District officials have reasonable belief that a student may be under the influence, in possession of, or distributing medical marijuana, in a manner not authorized by the medical marijuana statute, law enforcement authorities will be informed.

A student who violates any portion of this policy shall be subject to disciplinary action and applicable criminal prosecution.
