Dear Parent or Guardian:

Stratford Public Schools is pleased to announce that the U.S. Department of Agriculture (USDA) has extended the summer meal program to December 31, 2020. This is great news for you and your children as the program allows the District to provide a free healthy breakfast and lunch at school to all children age 18 and under.

At this time, you do not need to do anything for your child to receive these meals. However, as noted above, this program is available to all students at all schools only through **DECEMBER 31, 2020**. Families are encouraged to continue the completion of a Free and Reduced Lunch form to apply for those benefits to be available after the summer meal program expires on December 31.

In addition, please be advised that the times for meal pick-up for distance learners will vary at each school. Information regarding time schedules will be provided directly by your child's school.

If you have any questions, please call us at 203-385-4214 between the hours of 8:30 a.m. and 2:30 p.m.

Best wishes for a wonderful school year!

Sincerely,

Pamela F. Mangini  
Chief Operating Officer
