
STRATFORD BOARD OF EDUCATION

POLICY TITLE: SCHOOL-COMMUNITY ASSOCIATIONS

POLICY NUMBER: 1210

Community Relations

School - Community Associations

The purpose of parent support groups is to promote the educational welfare of the students, families, and teachers of the school district without seeking to control the policies of the schools or to direct their administration. The Board recognizes parent support groups as important channels for the sharing of viewpoints between parents, faculty, administration, and the Board of Education. The Board welcomes the assistance of the parent support groups in the on-going improvement of schools.
