

# History of Durham School Services

**Durham School Services can trace its history back to 1917**, to a three-bus company started in the San Gabriel Valley of California. In its early years, Durham specialized in special education transportation.

Today, the company operates more than **16,300 school buses** and serves more than **400 school districts** in **31 states** across the country. Durham School Services has a strong record of success and decades of experience in pupil transportation.
