DAY

November 10 & 13!

So let's show our Whale spirit and celebrate the kindness in our Eli Whitney community on Tuesday, November 10 and Friday, November 13!

- ♥ Wear green or Whitney Wear to school or at home! Cohort A on Tuesday, November 10 and Cohort B on Friday, November 13. Distance learners can join either day—or both!

- ♥ Let people in our Eli Whitney community know how much they are appreciated: Write a note or draw a picture and give it to them to celebrate their kindness!

Or write LOTS of notes and draw LOTS of pictures!

Has a teacher made school great for you? Has another staff member mentored you or helped you with technology? Has a staff member helped you feel at home at Eli Whitney?

*Students, teachers, families
and staff, let's spread kindness
like confetti!*
