

# Join us for

Eli Whitney's Fourth

## Family STEM Night

Join us on **June 3rd at 6:30 pm** for a night of family fun **via zoom** where students and parents can enjoy educational learning experiences together right in the comfort of your own home!! This year, we are doing things a little differently! We will be doing a family STEM challenge. JiJi the penguin is stuck on an iceberg and needs your help! Each family will get a bag of materials to make a raft to help rescue JiJi. Can you save Jiji???

If you would like to participate in STEM night- please either complete the RSVP below and return it to school or use this link to complete a google form RSVP by Monday, May 24th.

<http://bit.ly/whitneystem2021>

Materials will be sent home/available for pick up the week of STEM night. The bag of materials will be sent home with the youngest sibling if you have more than one child at Eli Whitney. A zoom link will be emailed to all participating families the week of STEM night as well.
