Dear Future Franklin Elementary Parent/Guardian,

It is our pleasure to welcome you to the Franklin Family! You are joining a proud community of educators and learners who have helped to transform Franklin into an institution of educational excellence. It is our mission to help every child feel welcomed, connected and a part of our community. In addition, we strive to challenge each student to further develop their academic skill set. At Franklin school we have tremendous teachers who spend hours creating classroom activities to engage our students in learning. Our teachers' utilize research based best practices and analyze academic data to determine current skill levels in order to show growth and improvement.

Please take a minute of your time to browse through our website: <https://www.stratfordk12.org/franklin>. We hope that you will find it helpful and informative.

We look forward to a very positive and productive year together! We extend a special, yearlong invitation to our families to join us at school activities and events whenever possible. We want . . . we need . . . and we value your involvement and support in your child's education! Your active participation is key to the success of your young Falcon.

We look forward to working closely with you and your children to "Soar to New Heights!"

We are currently in the process of planning an event to welcome all new families to our school through our PTO. A tentative date and time has been scheduled in the Franklin playground for August 22nd at 6:00PM. Finalized details will be provided within the near future.

Sincerely,

Mr. McNeill
Principal
