

Important news from...

Nichols Elementary School Student Council & Diversity Committee

February, 2021

Hello Nichols School and Community!

February is Black History Month! The Diversity Committee, along with the Student Council, has some exciting activities(*) planned to showcase the many contributions of African-Americans and people of the African Diaspora.

- ***“Did You Know? Now You Know!”*** Presentation - Fun facts about historical events and people in African American History (displayed on our monitors in Nichols’ main lobby and on our Nichols’ Website).
- ***“Diversity Corner” Google Classroom*** (by Student Council) - A one-stop classroom to increase cultural awareness at Nichols. Students and staff can learn about or contribute information and/or projects relating to Black History in this Google Classroom.

In the past, the Diversity Committee has celebrated Black History Month with student presentations. Last year, a banner was created by Nichols’ Art teacher, Mr. Morelli and our fabulous fourth graders. Look for the banner hanging in the hallway next time you are near the cafeteria.

(*)Due to the public health crisis, in-school activities are limited to individual classrooms.
