

To the Parents/Guardians of Stratford High School.

A counseling program called CBITS will run throughout the 2018-2019 school year. The CBITS group is designed to address the needs of students who have experienced traumatic events and suffer from traumatic stress. The groups will be facilitated by the Stratford High School Social Worker and the Social Worker at Stratford's ALPHA Alternative High School. The groups will be held at Stratford High School during the school day at dates and times to be determined.

Consent forms, which explain the group in detail, will be provided once an interest for your child to participate has been expressed. Please contact either Kelly Wilson or Ashley Kamal to answer any questions you may have about the CIBITS Groups.
