Good Afternoon SHS Community:

Well we have almost completed our first full week of our hybrid learning plan. While we are still working out some details, we have received some great feedback so far. We are working to resolve the attendance issues and are confident that will be taken care of in the next day or two. Please know we are committed to making this work for all students.

As always we have a few reminders for you to help ensure

1. Arrival to school:
 1. We are still asking for all students to not arrive at school before 7:20 AM.
 2. When students enter they can grab breakfast and eat in the cafeteria before heading to period one.

2. Breakfast and lunch:
 1. Service has been going great. We have changed our lunch procedures and now all students will be seated and lunch will be delivered to them. This has proven to be faster and also eliminate the need for students to wait in line.
 2. As of now, breakfast and lunch are free to those students 18 years of age or younger. This will remain in effect until December 31, 2020.
 3. Please make sure you are filling out the lunch selection form. These are sent out on Friday afternoons for Cohort A and Tuesday afternoons for Cohort B.
 4. Please continue to fill out any free/reduced lunch forms and return them to the main office at SHS.

Please remember that students are expected to be present for all classes at the time they start, whether they are in school or attending virtually. Attendance will be taken for students who attend class virtually.

Once again, thank you for your support.

Thank you,

SHS Administration
