Dear Parents or Guardians,

Stratford Public Schools are offering current juniors the opportunity to practice a full-length PSAT on January 26, 2021. This is an opportunity to practice prior to taking the School Day SATs on March 24, 2021.

## Tuesday, January 26, 2021

- Juniors will report to BHS or SHS as appropriate for testing from 7:30-1:15pm.
- Students who test past 1:15pm will have transportation home if they normally would have transportation.
- Students will be assessed in different classrooms/sections of the building based on cohort.
- All students in grades 9, 10, and 12 will be given assignments to complete independently at home; teachers will do their best to respond to questions when they are not proctoring the PSATs.
- Students in Cohort B and Distance Learners who would normally have transportation (living over 2 miles away from the school) will continue to have it for this testing day provided they indicate this need on the Google Form for the School Day PSAT.
- Lunch will be provided. Students will indicate their lunch preference on Google Form for the School Day PSAT.
- If students will be picked up at the end of the day instead of taking school transportation home, they will indicate this on Google Form for the School Day PSAT.
- BHS and SHS will have a deep cleaning after juniors finish testing.
