

Online Athletic Registration

Stratford High School 2019 Spring Sports Online Registration

Registration for Stratford High School Spring Athletics will be open on www.familyid.com beginning January 25th and ending March 16th. (Tryout and practice times for each sport will be provided at a later date)

FamilyID is a secure registration platform that provides you with an easy, user-friendly way for your child to enroll/register for athletics and is more administratively efficient and environmentally responsible. When you register your son/daughter through FamilyID, the system keeps track of your information in your FamilyID profile. You will enter your information once for each family member for multiple sports. After the first time a student-athlete is enrolled/registered for a sport, the next time that student registers for a sport, you will only have to update the profile.

BEFORE YOU REGISTER:

Every student who participates in a sport is required to complete five forms on line in order to be eligible to try out, practice or play. **These five forms** (parent/guardian permission form, medical emergency form, medical history, concussion education consent form, and the sudden cardiac arrest education form) **will be processed online when you register your child for a sport**. The sixth required form is the physical form. The physical form must be completed, signed by your physician and returned to the school nurse or athletic director. Physicals are good for thirteen (13) months. Physical forms may be found online at the school's website, the main office, or nurse's office.

INFORMATION NEEDED TO REGISTER:

When you are ready to register your child, it will be helpful to have the following information handy: doctor and dentist names and contact information, health insurance information, emergency contact information, medical information, and family email addresses and cell phone numbers.
