What if I cannot log in during class?

- Ideally, let your teacher(s) know beforehand!
- Email your teacher to request a recording of the streamed class
- Complete and submit any required assignments before your class meets again
- This opportunity should not be abused and should only be used for extenuating circumstances
- It is expected that you attend all classes via in person or live stream participation; if you are not there (in person or virtually), you will be marked absent

Learning Expectations

- Students will be asked to demonstrate their understanding of material through a variety of ways for both online and in-person learning
- You are expected to complete all assigned work and submit it by the deadline
- Any inappropriate behavior during live online sessions will result in removal from that meeting and will be brought to administration for further discussion

Communication with S7HS

- We are a team and we are here to support you. Please reach out for help
- If you are having difficulty with any of your classes, please reach out to your teacher (1st line of defense), counselor, or administrator
